Dear Dr. Lederberg:

Recalling your thoughtful kindness in joining other Nobelians in expressing to Pope Paul VI your concern over the world's soaring population, I thought you would be interested in the enclosed reprint.

I would appreciate, for possible publication, a brief--a sentence or two--expression of your thought re the timeliness and helpfulness of this article.

Thanking you in advance for your kindness,

Ever cordially,

*J. A. O'Brien*
